

MANISH THAKUR

Media • PR • Communications • Business Leadership

Chief Executive Officer, NB News Network

PROFILE

Manish Thakur is a media, communications and business professional with over 15 years of diverse industry experience spanning hospitality, corporate management, manpower solutions and media. His career reflects a progressive journey from hospitality and business operations to corporate leadership and media entrepreneurship. Today, as Chief Executive Officer of NB News Network, he focuses on media visibility, strategic communications, digital PR, branding and meaningful industry partnerships. His strengths include business development, stakeholder engagement, media relations, corporate communication, brand positioning and event management.

CAREER JOURNEY & CONTRIBUTION

Chief Executive Officer | NB News Network

Leading the media and communications vision; strengthening digital presence, developing strategic partnerships, expanding industry outreach, and creating platforms for brands, institutions and leaders to build meaningful visibility.

Corporate Manager | Weavings Manpower Solutions Pvt. Ltd.

Contributed to corporate management and business coordination, supporting client engagement, organisational relationships and structured business operations while strengthening professional stakeholder networks.

Business Head | Ventex Hospitality Pvt. Ltd.

Played a key role in business leadership and hospitality management, contributing to business development, client relationships, operational coordination and the organisation's overall market presence.

A.G.M. | BW Resort Country Club

Built foundational leadership experience in hospitality, overseeing operational coordination, guest experience and team-oriented management while developing strong skills in service delivery and business operations.

CORE EXPERTISE

- Media Relations & Strategic Communications
- Business Development & Strategic Partnerships
- Hospitality & Business Management
- Digital PR & Brand Positioning
- Corporate & Government Stakeholder Engagement
- Events, Networking & Industry Outreach

A career built across hospitality, corporate management and media — combining business insight, communication strategy and relationship-led leadership.
